A limited assurance engagement comprises of limited depth of evidence gathering including inquiry and analytical procedures and limited sampling as per professional judgement of assurance provider. A materiality level of 10% was applied. Assessment of compliance and materiality was undertaken against the stated calculation methodology and criteria.

Methodology

Intertek performed assurance work using a risk-based approach to obtain the information, explanations and evidence that was considered necessary to provide a reasonable level of assurance. The assurance was conducted by desk reviews, visit to ATGL's City Gate station, CNG stations in Vadodara, CBG plant in Barsana, and stakeholder interviews with regards to the reporting and supporting records for the fiscal year 2025 at ATGL's corporate office in Ahmedabad. Our assurance task was planned and carried out during Feb-May 2025. The assessment included the following:

- Review of the Report that was prepared in accordance with the GRI guidelines.
- Review of processes and systems used to gather and consolidate data.
- Examined and reviewed documents, data and other information made available at ATGL's operational sites, corporate office and digitally.
- Conducted interviews with key personnel responsible for data management.
- Assessment of appropriateness of various assumptions, estimations and thresholds used by ATGL for data analysis.
- Review of GRI disclosures on sample basis for the duration from 1st April 2024 to 31st March of 2025 for ATGL was carried out onsite at ATGL's corporate office and selected business locations.
- Appropriate documentary evidence was obtained to support our conclusions on the information and data reviewed and details would be provided in a separate management report. reviewed and details would be provided in a separate management report.

Conclusions

Intertek reviewed selected sustainability disclosures provided by ATGL in its Report. Based on the data and information provided by ATGL, Intertek concludes with limited assurance that there is no evidence that the sustainability data and information presented in the Report is not materially correct. The report provides a fair representation of GRI disclosures and is with reference to the GRI Standards to the best of our knowledge.

Summary of the Work Performed as the Basis for our Assurance Conclusion

A reasonable assurance engagement involves performing procedures to obtain evidence about the Tax and Other Contributions. The nature, timing and extent of procedures selected depend on professional judgment, including the assessment of risks of material misstatement, whether due to fraud or error, in the Tax and Other Contributions. In making those risk assessments, we considered internal control relevant to the preparation of Tax and Other Contributions.

Our procedures includes understanding the process adopted by the Company in preparing Tax and Other Contributions, reviewing basis of preparation, and issuing Independent Assurance Report on Tax and Other Contributions.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Our Conclusion

In our opinion, the Tax and Other Contributions for the financial year 2024-25 is properly prepared, in all material respects, in accordance with the Basis of Preparation.

Restriction on Use

In accordance with the terms of our engagement, this independent assurance report on Tax and Other Contributions has been prepared and issued at the request of ATGL solely for inclusion in its 'ESG Overview' section of Integrated Annual Report for the financial year 2024-25 and should not be used by any other person or for any other purpose or in any other context. We are appointed to only verify the Tax and Other Contributions in accordance with the Basis of Preparation of ATGL shared with us and BDO India LLP shall not be liable to the Company or to any other party for any claims, liabilities or expenses relating to this report. Any party other than ATGL who obtains access to our report or a copy thereof and chooses to rely on our report (or any part thereof) will do so at its own risk. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or, into whose hands it may come without our prior consent in writing.
